

57th Annual Meeting

June 12 - 14, 2022

The Meritage Resort and Spa - Vista Collina Resort - Napa, California

The Society of Petroleum Evaluation Engineers 2022 Annual Meeting is just a few months away! Information on the Annual Meeting, hotel, travel, and registration is provided below. If you have any questions, please contact Andrea Bracho at (832) 972-7733 or andrea@spee.org.

ANNUAL MEETING DETAILS

Change is nothing new to our industry – most people believe that it is the only constant. Continually improving science, technology, and methodologies constrained by regulatory, environmental, social, and governance pressures have significantly impacted the ability of our industry to economically compete. This meeting introduces new topics relating to carbon capture and storage, abandonment, and reclamation challenges and how technology has taken us down the path of predictive machine learning.

The SPEE Annual Meeting plans include a Saturday afternoon short course, a morning and afternoon short course on Sunday, as well as technical sessions on Monday and Tuesday. There will be opportunities to network and socialize during group and guest activities, social events, and the Monday evening Gala and Awards Dinner.

HOTEL ACCOMMODATIONS

Accommodations are available at The Vista Collina Resort starting Friday, June 10th to Tuesday, June 14th for the SPEE rate of US\$329.00, plus taxes and fees, and at The Meritage Resort and Spa starting on Saturday, June 11th to Tuesday, June 14th for the SPEE rate of US\$299.00, plus taxes and fees. GEN7 Wine Tasting Experience

Vista Collina Resort curates the best of Napa into a unique Wine Country experience. The centerpiece of the resort are Napa Valley's tasting rooms featuring the best boutique wineries. With several onsite wineries, Vista Collina is a destination all its own. And with a robust, curated calendar that's always changing, you'll want to visit our Napa Valley wine bars and event space often to experience everything the Napa Valley has to offer, all in one place.

Among the great selection of wines in Vista Collina is GEN 7 Wines, which has aligned itself with some of the top vineyards in California to acquire the highest quality grapes from each region (Napa, Sonoma, Central Coast). They are aged in French oak barrels from 9 to 21 months. They custom blend them (single varietals or unique blends) to produce and continue the family tradition of creating high-quality, hand-crafted, and exceptional wines.

At GEN 7 Wines, their goal is to elevate your experience with wine, whether you're a connoisseur or a casual drinker. Their family has been making wine in California for more than 180 years, so there's a little history in every bottle. We will be tasting up to 6 wines from their Signature or Reserve Red Selections. Inhale the bouquet, savor the taste, and learn to complement your favorite foods or enjoy a glass of one of our GEN 7 wines on its own.
