Speaker Bio.: Jim Lightner has been Chief Executive Officer of Beacon E&P Company, a private oil and gas company, since its inception in 2009. Mr. Lightner was a Partner and Chief Executive Officer of Orion Energy Partners, a private oil and gas company, from its inception in August 2004 until its sale in 2009. From 1999 to 2004, Mr. Lightner served in various capacities with Tom Brown, Inc., an oil and gas exploration and production company, including director, Chairman, Chief Executive Officer and President, until its sale to EnCana Oil & Gas (USA) Inc. in 2004. Prior to 1999, he served as Vice President and General Manager – Denver Division -- of EOG Resources, Inc. Mr. Lightner received a Bachelor of Science degree in Geology from Southern Illinois University and a Master's of Science degree in Geology from the Australian National University.

About SPEE: <http://www.spee.org> SPEE was formed in 1962 as a professional, non-profit educational organization bringing together specialists in the evaluation of petroleum and natural gas properties. SPEE continues today to be strongly committed to providing educational and other services to its members and to the oil and gas industry, and to promoting the profession of petroleum evaluation engineering.
