Speaker Bio.:

Mr. Ward Polzin serves as a Managing Director in Investment Banking at Tudor, Pickering, Holt & Co and is based in Denver. Polzin spearheads the firm's E&P asset acquisition and divestiture practice. TPH and Polzin have advised on 40+ shale transactions since 2008, including many Bakken transactions such as Statoil in its purchase of Brigham Exploration, and Tracker Resources and American Oil & Gas in its respective sales to Hess, and numerous Permian transactions.

Polzin previously served as the US Country Manager at Enerplus Resources in Denver, Colorado, with a focus on Bakken drilling. Earlier in his career, he was a Managing Director with Scotia Waterous & Co. where he led the origination and execution transactions. He began his career in technical and commercial roles with BP in Alaska.

Polzin has a BS in Petroleum Engineering from the Colorado School of Mines and an MBA from Rice University. Polzin is also a CFA charter holder.

About SPEE: <http://www.spee.org> SPEE was formed in 1962 as a professional, non-profit organization bringing together specialists in the evaluation of petroleum and natural gas properties. SPEE continues today to be strongly committed to providing educational and other services to its members and to the oil and gas industry, and to promoting the profession of petroleum evaluation engineering.
